Dear Honorable Mrs. Spieker,

I'm asking for your assistance in an effort to try and collect the transportation expense from Maxx Bail Bonds.

I mailed an invoice to Maxx Bail Bond on 10/3/2012 for the amount of $672.31 indicating a past due date of 10/18/12.

On 11/20/12, I called the Maxx bail bond company and spoke a Juan Maxx Velez. He requested that I fax him the invoice and I did.

On 1/10/13 I call Maxx again and he promised that he would send in the payment on 1/11/13. I stated to him that we take credit card payments but he said he would mail the payment.

On 1/25/13 I called the bail bond company and spoke to Lacks, he stated to me that he would relay the information to Maxx and call me back. No call back was ever received.

On 2/19/13 I left message on voice mail.

I also called the Sheriff's office in Tom Green county and the clerk referred me to your office for collection.

I would appreciate your assistance in collecting the past due amount of $672.31. Attached you will find a copy of the surety bail bond.

Sincerely,

Carolyn Bowen
