Re: Tom Green County Work Camp

Commissioner Easingwood:

Thank you for the opportunity to once again serve Tom Green County.

Based upon our meeting in San Angelo on Saturday 1/12/08, we understand the urgency in preparing design documents to assist you in completing this project by 2/28/08. For that reason, we immediately began work and authorized our engineering consultant to do so as well. It is our intent to provide minimal drawings and to utilize performance specifications to the greatest extent possible to expedite your project. We will also assist with ADA issues.

Our fee for this limited scope of work is ten thousand dollars (\$10,000.00). We will invoice Tom Green County when we have completed the work.

Please acknowledge this by returning a signed copy of this letter to us.

Best regards,
