RE: Placement of a power line in the right-of-way next to 11th St. and Marshall St., and 11th St. and Midland St. in Carlsbad, TX.

Please accept this letter as notice of CVEC's intent to place a single pole power line on the south side of 11th St. between Marshall St. and Midland St. and also on the north side of 11th St. on the east side of Midland St. This will be an overhead power line and there will be 4 poles and 2 anchors in the county right-of-way. I have enclosed a copy of the proposed new power line.

If you have any questions, please call Alton Cantrell at 325-655-6957 or Terry McCracken at 325-234-2094.

Sincerely,

Terry McCracken
Engineering Technician
