RE: Placement of a power line in the right-of-way next to Ames Rd. and Hawk Ave.

Please accept this letter as notice of CVEC's intent to place a single pole power line on the south side of Ames Rd. and on the east and west side of Hawk Ave. The overhead power line will be extended east from an existing power line on the south side of Ames Rd. for approximately 1600 feet to the east side of Hawk Ave. There is a copy of a drawing showing the proposed power line and a map showing the location of the new line.

If you have any questions, please call Alton Cantrell or Terry McCracken at 325-655-6957.

Sincerely,

Terry McCracken
Engineering Technician
