1 year bid with option to renew in 1 year increments.		

**RFB 09-001
CALICHE**

Pursuant to General Specifications/Provisions listed below and attached, the undersigned makes the following offer, F.O.B. Pit Site, Tom Green County, Texas, with exempt taxes having been removed from the bid price.

The Tom Green County Road & Bridge Department has a need for caliche from locations in various parts of the county. It is desirous to obtain caliche from the nearest available source to the road construction or maintenance site in order to reduce the transportation costs. The County is therefore soliciting bids from all sources in order to accomplish this and keep cost to a minimum.

The County proposes to consider awarding bids to suppliers throughout the county and obtain caliche from those who are closest to work sites. Decision to purchase from nearest pit will be based on bid price, suitability and nearness to work site.

The caliche desired must be suitable for road construction and maintenance, and should be free of large rocks. The quality of the caliche will be judged for suitability by the Road & Bridge Foreman of their area of responsibility.

Location 5476 W Fm 2335, Christoval (roughly 1 mile W. of 277)

Bid Price per cubic yard \$ 2.50 in the hole

Bid Price will be good for **One (1) year with an option to renew in additional (1) Year increments.**

Proof of ownership of the material and/or the land must be furnished, if necessary, to the Road & Bridge Foreman prior to this ordering caliche from successful bidder(s).
