COUNTY OF TOM GREEN

ORDER PROHIBITING OUTDOOR BURNING

WHEREAS, the Texas Forest Service has determined that drought conditions exist within Tom Green County and the Tom Green County Commissioners' Court finds that circumstances present in all or part of the unincorporated area of the county create a public safety hazard that would be exacerbated by outdoor burning;

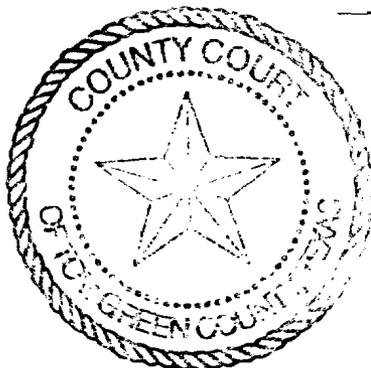

IT IS HEREBY ORDERED by the Commissioners' Court of Tom Green County that all outdoor burning of any and all combustible materials is prohibited in the unincorporated area of the county for 90 days from the date of adoption of this Order, unless the restrictions are terminated earlier based on a determination made by the Texas Forest Service or this Court. This Order is adopted pursuant to Local Government Code §352.081, and other applicable statutes. This Order does not prohibit cooking stoves fueled by "white gasoline" or outdoor cooking grills fueled by propane or natural gas. In addition, this Order does not prohibit outdoor burning activities related to public health and safety that are authorized by the Texas Commission on Environmental Quality for (1) firefighter training; (2) public utility, natural gas pipeline or mining operations; (3) planting or harvesting of agricultural crops; or, (4) burns that are conducted by a prescribed burn manager certified under Section 153.048, Natural Resources Code, and meet the standards of Section 153.047, Natural Resources Code.

In accordance with Local Government Code §352.081(h), a violation of this Order is a Class C misdemeanor, punishable by a fine not to exceed **\$500.00**.

ADOPTED this 2nd day of December 2008 by a unanimous vote of the Tom Green County Commissioners' Court.
