Dear County Commissioner:

Enclosed is a copy of your 2005 Continuing Education transcript and your Curriculum 2000 transcript, reflecting credits earned from approved conferences through the end of June 2005, not including the Conference of Urban Counties Legislative Update Series. Pursuant to Section 81.0025, Local Government Code (attached), you must complete a minimum of 16 continuing education hours each calendar year. You may carry forward as many as 8 hours to the next year.

Please review your transcripts, and make arrangements to attend conferences as necessary to complete at least 16 hours of continuing education before December 31, 2005.

During this year, some of you have completed the Curriculum 2000 Program, a 64-hour course of advanced training in county government, and will be awarded a certificate at the State Conference Banquet and Installation of Officers in Lubbock on October 6, 2005 at 7:00 p.m. Attached is a list of the commissioners who will receive a certificate on October 6, as well as the Curriculum 2000 courses being offered at the State Conference this year.

If you have the opportunity to complete the Curriculum 2000 program by taking courses at the State Conference this October, please notify Mary Manning in Jim Allison's office at (800) 733-0699 no later than Friday, September 2, 2005. A certificate will be prepared if you intend to complete the necessary courses. However, if you do not attend these courses and do not complete the Curriculum 2000 Program during the 2005 State Conference, the certificate will not be awarded to you this year.

If you will earn your certificate at the State Conference, or have any other questions about our continuing education program, please call Mary at Jim Allison's office. Thank you for your participation in our state association.

Sincerely,

Van L. York
