

Guidelines & Criteria for Granting Tax Abatements In the Unincorporated Areas of Tom Green County, Texas

Preamble

Pursuant to Chapter 312 of the Texas Tax Code, in the unincorporated areas, Tom Green County may consider an application for tax abatement, designate a reinvestment zone, and enter into a tax abatement agreement in accordance with these Guidelines and Criteria. It is the express intent of the Tom Green County Commissioners Court to promote economic development, but not at the expense of the County's natural resources or services provided to the general public. No application submitted under the following schedule deemed to have a substantially adverse effect on natural resources in the County or on County infrastructure (including roads and bridges) will be approved, unless the application can demonstrate just cause for such an exception.

I. Abatement Application Procedure

- (a) Who may apply. Any present or potential owner of taxable real property in Tom Green County may submit an application for tax abatement conforming to the requirements herein.
- (b) Eligible Property. Abatement may be granted for the following property: new expanded or modernized buildings and structures, fixed machinery and equipment; site improvements; other tangible items necessary to the operation and administration of the project or facility; and all other real and tangible personal property permitted by Chapter 312 of the Texas Tax Code. Taxes on real property may be abated only to the extent the property's value for a given year exceeds its value for the year in which the agreement is executed. Tangible personal property located on the real property at any time before the period covered by the agreement is not eligible for abatement. Tangible personal property eligible for abatement shall not include inventory or supplies. Property in a reinvestment zone that is owned or leased by a member of the County Commissioners Court is excluded from property tax abatement.
- (c) Application provisions. The application shall consist of a completed Tom Green County Tax Abatement Application Form, which shall contain the following:
 - (1) information showing how the project meets the requirements of the criteria outlined in Section II below;
 - (2) a map and description of the property;
 - (3) a time schedule for completing the planned improvements;
 - (4) the estimated taxable value or range of values of the project or facility; and
 - (5) basic financial information about the applicant sufficient to enable evaluation of the application's financial capacity.

(d) Procedure for Consideration of Application. The procedure for consideration by the County of a Tax Abatement Application is as follows:

- (1) An applicant may request a Tax Abatement Application from the County Clerk.
- (2) File application with a fee of \$1,000.00.
- (3) After an applicant completes the Tax Abatement Application, the applicant must provide a copy to each member of the Tom Green County Commissioners Court and the County Clerk;
- (4) The Commissioners Court shall issue a determination at any time before the expiration of forty-five (45) days from the date of receipt of the application regarding how to proceed with the application.
 - (a) *Denial of Application.* If the Commissioners Court chooses to deny the application, it shall make a finding by majority vote at a regularly scheduled meeting that, after balancing the criteria described below in Section II, it is the judgment of the Commissioners Court that the application should be denied.
 - (b) *Consideration of Application.* If the County determines that the application should be further considered, the Commissioners Court must hold a public hearing to obtain public input on the application. Not later than the seventh (7th) day before the date of the hearing, notice of the hearing must be: (1) delivered in writing to the presiding officer of each taxing unit that includes in its boundaries real property that is to be included in the proposed reinvestment zone, and (2) published in a newspaper of general circulation in the County. At the hearing, the Commissioners Court evaluates the application against the criteria in Section II and decides by majority vote whether to designate the property for which the abatement is sought as a reinvestment zone. If the reinvestment zone is designated, the Commissioners Court shall pass an order to that effect. An order designating an area as a reinvestment zone is valid for five years from the date of designation. Once the area is designated as a reinvestment zone, the Commissioners Court may then arrange to consider for approval of the tax abatement agreement between the applicant and the County at its next regularly scheduled meeting. At least seven days prior to entering into a tax abatement agreement, the County must give written notice of its intent to do so to the presiding officer of each taxing unit that includes in its boundaries real property that is to be included in the proposed reinvestment zone, along with a copy of the proposed tax abatement agreement. At the regularly scheduled meeting, the Commissioners Court may finally vote by simple majority to enter into the tax abatement agreement, or to decline. An approved tax abatement agreement may be executed in the same manner as other contract made by the County. A tax abatement agreement that is declined by the County may be amended and resubmitted to the County.
 - (c) *Confidentiality.* As required by Chapter 312.003 of the Texas Tax Code, information that is provided to Tom Green County in connection with an application or request for tax abatement under this chapter and that describes the specific processes or business activities to be conducted or the equipment or other property to be located on the property for which tax abatement is sought is confidential and not subject to public disclosure until the tax abatement agreement is executed and public disclosure will be made.
