Kristie,

Here is the pricing for replacing the 2 cameras that we discussed last week. I am quoting 2 new dome cameras to replace the 2 bad cameras, and a 2 channel multiplexer, so that we can have both cameras being viewed on 1 monitor. This would allow us to eliminate the 2 VHS machines and one of the monitors currently being used.

( 2 each – Speco Dome Cameras )  
1 each – 2 Channel Multiplexer )

Total Price = \$925.00

Please let me know if you have any questions, or if I can be of further assistance, please do not hesitate contacting me.

Thank you,
