Remarks:

Hello Judge—

Attached is the third list of the On-Site Sewer Facilities (OSSF) applicants which have completed the financial eligibility as well as the initial inspection portion of the requirements and must now be approved by the Commissioner's Court to move forward in the process which is to have a site and soil evaluation.

Ms. Karel Zaleski, San Angelo-Tom Green County Health Department Inspector has conducted the initial evaluations for the attached list of applicants and has determined that new septic systems are needed for the attached list.

The following items need to be placed on your Tuesday, July 28, 2009 Commissioner's Court meeting in order to move forward the additional applicants:

1. **"Consider and Approve list of eligible applicant homeowners for Tom Green's TxCDBG Contract #728165 On-Site-Sewer Facilities (OSSF) grant project"**. (see attached list)

Please forward a copy of your certified minutes of the above action once it has been completed.

Thank you for your assistance related to this project if you have any questions you can contact me at (512) 420-0303.
