

**Date:** January 5, 2009  
**To:** Whom It May Concern  
**From:** Kevin Brown  
TAC Regional Manager – Southwest Region  
**Subject:** TAC Certification for Ener-Tel Services, Inc.

TAC Corporation is a global manufacturer and marketer of commercial, industrial and institutional Integrated HVAC Control Systems, Access Control System and Digital Video Management Systems and Services. Ener-Tel Services, Inc. provides factory commissioning and warranty support for the full range of TAC Continuum products, as well as direct aftermarket services to existing building owners and end-users. Ener-Tel Services, Inc. located at 4512 Adobe Drive, San Angelo, TX, is the only TAC Continuum “Systems Integrator” for San Angelo, TX.

Ener-Tel Services, Inc. must meet stringent company requirements including financial stability, engineering, sales and system support staffing requirements. Additionally, they are required to have their staff attend extensive factory training classes. I am pleased to report that Ener-Tel Services, Inc. has met or exceeded all our requirements for many years.

Please feel free to contact me at the telephone number listed below should you have any further questions or concerns.

Sincerely,

Kevin Brown, CEM
