

RFP 10-003 INMATE PHONES
11/10/2009

Company	Global	Securus	PCS	Infinity	Crown	ICS	VAC
Total points given	97	90	78	not selected top 3			

After reviewing all RFPs submitted, the top three vendors were selected and invited to participate in meetings with the evaluation committee. The recommendation to go with Gobal Tel Link was established after negotiations were conducted.

GTL-

Overall Highest Rated after meeting. Commission rate at 59% is higher than what is currently in place. Cost for Family is the same for local calls and depending on type of call, may be less expensive.

GTL is currently working with Tyler Technology and GTL will absorb the cost of intergration with JMS when implimentation is instituted.

GTL shows to be a stable company which works exclusively with inmate telephones.

Platform shows to be user friendly and includes features that will benefit its users.
