

Crafton Communications, Inc.
Telecommunications Real Estate

To whom it may concern:

My company represents AT&T Mobility in acquiring sites for developing new communications facilities. I am requesting information regarding zoning, building permits and platting in your community. The proposed site is located on the **East side of E. Bryant Lane South of Hwy 67** and is a new tower site with a height of **300 ft.** or a collocation on an existing tower _____ or building _____ or water tank _____. A map is attached for your review. The longitude is _____ and the latitude _____.

Please indicate below which, if any restrictions apply.

The proposed site is in Tom Green County and is subject to the following restrictions.

XXX No permits, zoning or platting required.
_____ is required.

_____ The proposed location is not in the city limits of _____ on the ETJ. There are no zoning, permits or platting required.

_____ The proposed site is outside the city limits of _____, but in the ETJ. Due to the proposed site being a leasehold interest and not constituting subdividing, there are no zoning, building permits or platting required for the proposed site.

_____ The proposed site is in the city limits of _____. The following restrictions apply.

- _____ Building permit
- _____ Allowed by zoning right
- _____ Requires an SUP or CUP
- _____ Height variance
- _____ There are No permits, zoning or platting required.
