Road issues to be addressed in Commissioner's Court on
May 18, 2010:

1. Precinct #3:

Name private road:

Mr. & Mrs. Jose Ruiz are requesting a private road named leading to their ranch. They currently access their property by an easement running through the Buffalo Heights Subdivision.

I spoke with the developer Herb Hooker with SKG Engineering to verify the easement. He confirmed this is a valid easement to reach properties northwest of the subdivision. He stated that there are future plans to abandon this part of the easement up to a proposed road once the next segment of the subdivision is developed.

There will still be a portion of the private road that will remain.

Suggested names per the owners:

- ✓1. JERIMIAH LN
2. SABRE RUN

Currently there are no other residents that would use this road, but there are several land owners down this road with the potential for homes that would need addressing, as well as a LCRA Substation.
