MEMORANDUM

TO: Tom Green County Commissioner's Court

FROM: Charles and Rhonda Benham 7362 S. Ratliff Rd.
Mike and Glinda Martindale 7356 S. Ratliff Rd.
Jeff and Sherry Sefcik 7360 S. Ratliff Rd.

SUBJECT: 911 Address changes on South Ratliff Rd.

We would like to request a variance to the new 911 address changes requested. We would like to keep our current addresses. We currently reside on the north side of South Ratliff road. The south side of the road is farm land along with some pasture land. Even though our residences are on the north side of the road, our mailboxes, along with our reflective address signs are on the south side of the road.

We all agree to waive this variance and make the requested address changes if any new houses are built on the south side of the road, across from our houses, where the farm land or pasture land currently exists.

We also agree to hold Tom Green County and 911 personnel harmless for any problems associated with this address change while this variance is in place and while we are still using the above mentioned addresses.
