Re: Election Judges and Alternate Judges Appointments

Dear Vona,

I am writing to verify that we have discussed at length the names of those persons who will be appointed to serve as judges and alternate judges for the coming term. We have also agreed on the names of those who will serve in Central Counting, Early Voting Ballot Board and Early Voting. I want to thank you for your diligence in helping me in every way so that our elections can run smoothly and in a manner that is fair to all parties. I also appreciate the courteous way in which all of your employees treat me and my party's workers. I look forward to working with you for many years to come!

Sincerely,

Linda Shoemaker Chair  
Tom Green County Democratic Party

Linda,

Thank you for your help with the poll worker appointments. I currently show that Pct. 305, 319/350/352, and 429/442 are vacant.

Also, I remind you that in Pct. 434/435/436, the Judge will be Democrat and Alternate Judge Republican at your and Russ's request.

The names of the people we have used for Early Voting, EVBB, and Central Counting are listed below. Could you advise whether you wish to make any revisions to these lists or if we may continue to use these people in these capacities? Remember, that the EVBB may also include Libertarians in November.

I would appreciate your prompt reply.

Thank you,  
Vona

**Subject:** Appointments

Russ,

Thank you for contacting us about the poll worker appointments. The note I received said that you want to reappoint everyone except for the ones you can't find to fill vacancies – 114, 228/243, and 429. FYI, pct. 106/126/138, 319/350/352, 421, and 422 are also vacant. Brenda Conner agreed to serve as Judge in 422 when Mr. Smith resigned so I will submit her name for appointment.

Also, I remind you that in Pct. 434/435/436, the Judge will be Democrat and Alternate Judge Republican at your and Linda's request.

The names of the people we have used for Early Voting, EVBB, and Central Counting are listed below. Could you advise whether you wish to make any revisions to these lists or if we may continue to use these people in these capacities? Okay, thanks. I guess some paperwork will need to be submitted at some point but that is not your problem.

Dennis withdrew from the ballot before we could even hold the county convention to nominate him. He is not an official candidate. Should have told you that earlier I guess, but I did forward that to the party hq.

Mr. Robinson,

I am forwarding the correspondence I had with Jim Turner in the hopes that you can help me or direct to the right person. Mr. Higgins would be ineligible to serve since he will be on the ballot.

Thank you,

I resigned as county chair about 5 months ago. Dennis Higgins or James Robinson might be able to help. They would also both be good choices.

Robert Butler, executive director, could also help.

Jim,

HB1145 made changes to the makeup of the Early Voting Ballot Board. It now states that county chairs of the Libertarian Party submit lists of eligible persons for appointment to the EVBB. I meant to contact you sooner so I apologize for not doing so. Are you the person that would submit this list to me? If so, can you get me two names by Friday? I am supposed to present this in court Tuesday.

Thank you,

Vona
