RE: Placement of a power line in the Right-of way next to West Grape Creek Road.

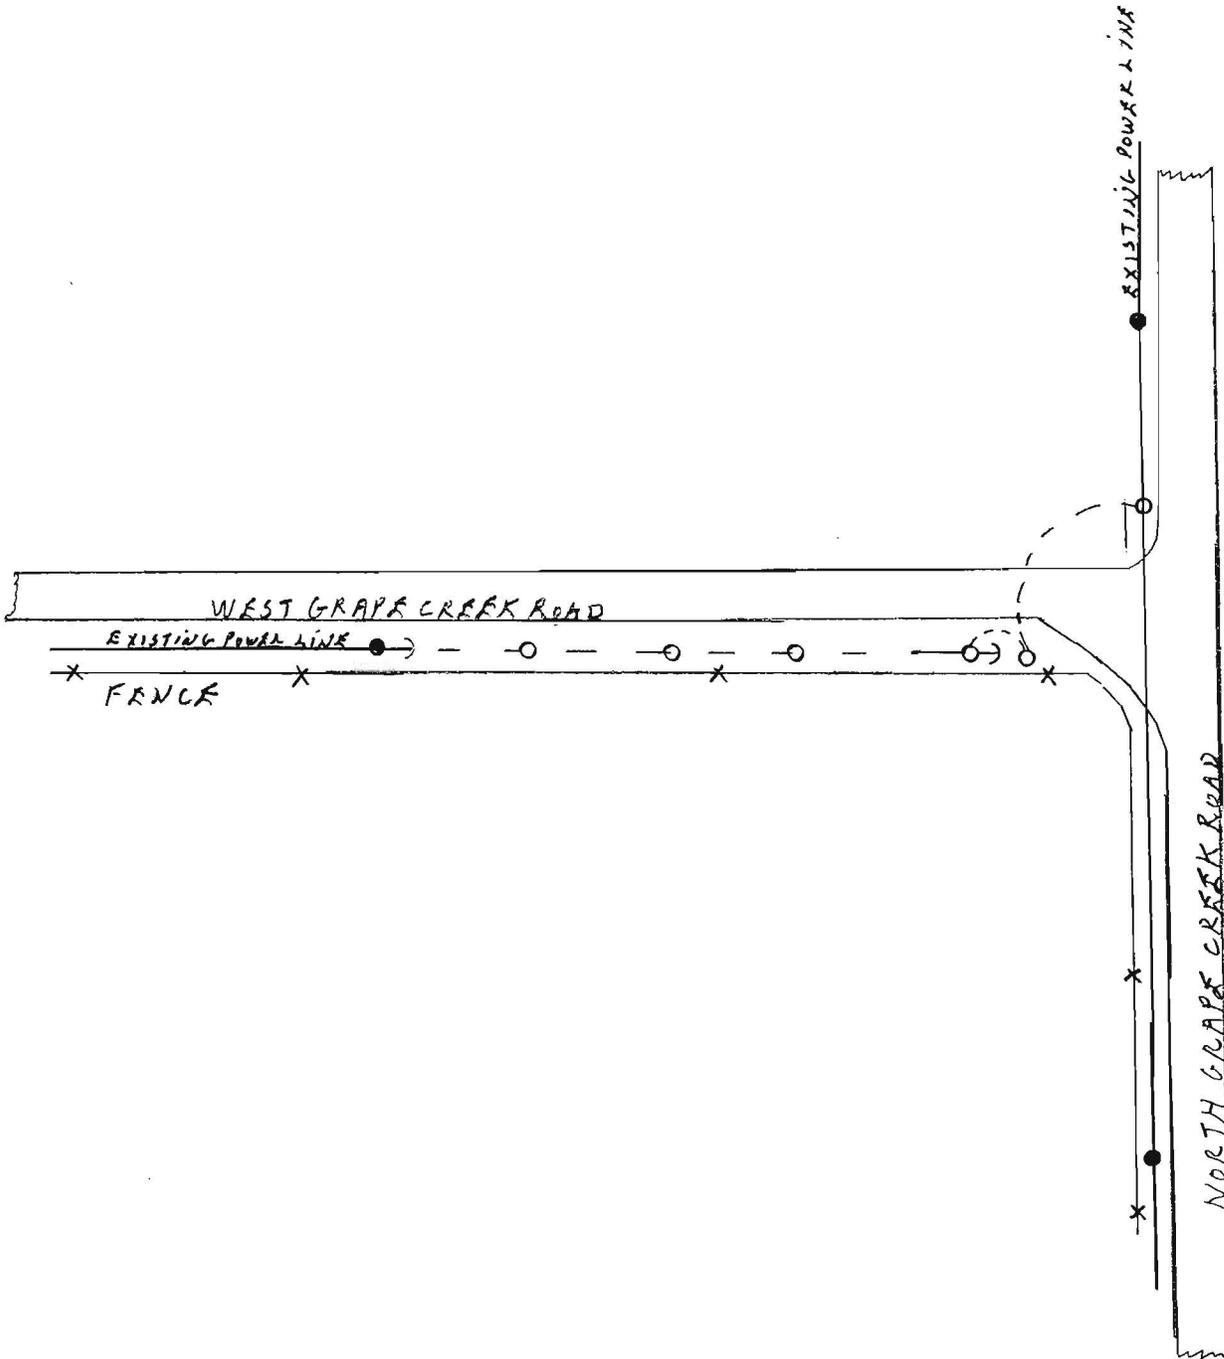

Please accept this letter as notice of CVEC's intent to place a single pole power line on the south side of West Grape Creek RD. The overhead power line will extend east from an existing power line for approximately 1300' to tie into an existing power line that runs parallel to North Grape Creek RD. There will be 5 new poles and 1 anchor on the south side of West Grape Creek RD and 1 new pole on the west side of North Grape creek RD.

If you have any questions, please call Alton Cantrell or Terry Mccracken at 325-655-6957 or 325-234-2094.

Sincerely,

Terry Mccracken
