

2. Precinct #2

Request to name TWO new Private Roads

- Road #1 (east side) has four residents using a common easement and are addressed off of Callison Rd. House numbers WOULD change for two residents in order to correct odd/even addressing.
- Road #2 (west side) has four residents (plus one tower addressed) using a common easement and are addressed off of Callison Rd. The house numbers would NOT change.

Recommend new private roads be named and residents readdressed. This area IS in the ETJ.

PROPOSED NEW PRIVATE ROAD NAMES:

Road #1(east side):~~4~~GOLDEN LN

Road #2(west side):~~1~~BISMARCK CT or

BISMARCK FARMS RD
