Tom Green County Indigent Health Program  
19 N Irving  
San Angelo, Texas

Dear Tom Green County Indigent Health Staff,

On behalf of Shannon Medical Center and Shannon Pharmacy Assistance Program, I would like to extend a sincere thank you for your assistance in obtaining necessary documentation from our mutual clients.

By receiving proof of income on these patients, we have been able to obtain a significant number of prescription medications for TGCI patients from drug manufacturers. This has reduced drug costs and contributes to providing improved healthcare for those patients.

We appreciate your efforts to encourage patients to provide information to us, and look forward to a continuing cooperative association with your staff.

Thank you,

Glynda Scott, RPh  
Assistant Director  
Shannon Pharmacy Assistance Program
