Tom Green County
Scope of Work
Basic IDIQ file Number 18-1330-IQ
Project: Library Basement Sheetrock

New work

1. Provided and install new sheetrock on wall in basement and patch two holes on existing sheet wall.

2.0 SPECS:

Details provided by Tom Green County personnel, and are as described in scope, and RS means proposal.

3.0 SPECIAL CONSIDERATIONS:

Special considerations are applicable to this project as outlined in the following:

- 3.1 The proposal provided herein is based on the assumption that all work in Library can be performed during normal business hours and nights and weekends if necessary.
- 3.2 Work shall be performed in accordance with OSHA, Client & BASIC INDUSTRIES requirements. Work areas shall be maintained in a clean and orderly manner with materials, tools, and equipment properly stored and utilized to prevent hazards for worker and incidental personnel in the area. Provide barricades, signs, and other devices as necessary to ensure facility occupants are notified and shielded from dangers that work areas may pose.

4.0 PROPOSAL:

Please note that the proposal does not include any contingency allowance amounts.

5.0 TIME OF COMPLETION:

This project is intended to be completed in 45 days.

6.0 FURTHER PROJECT DEVELOPMENT PROCESS:

Upon notification by Tom Green County that this project will proceed forward, Basic IDIQ, Inc. will contact the necessary vendors to accomplish the project.

7.0 TIME LIMIT:

- a. This proposal is good for a period of 45 days from the date of the proposal. Basic Industries reserves the right, prior to issuance of a notice to proceed, to review the cost estimates that forms a part of this proposal and make necessary adjustments as allowed through the HCDE JOC to include quarterly cost adjustments as provided through RS Means. This proposal is based on 2011 RS Means Facilities, Assemblies and Repair and remodeling cost data.

8.0 ASBESTOS:

It has been reported to Basic Industries, that the work to be completed herein will not impact construction materials identified and/or assumed to be asbestos-containing. The owner retains his/her responsibility under federal, state and municipal requirements for asbestos reporting, notification, abatement, disposal and compliance. This proposal excludes costs associated with asbestos abatement if deemed necessary by the owner or identified by Basic Industries. If asbestos abatement services are required, we would be pleased to revise this proposal to include such services.
