Memorandum to: Tom Green County Sheriff

From: US Marshal Randy Ely

Reference: Authorization to Use Local Frequencies

The North Texas Fugitive Task Force sponsored by the United Marshals Service operates in the Northern District of Texas by assisting in the apprehension of federal, state and local fugitives. The establishment of joint communications with your agency is vital to ensure officer safety related to task force missions.

The North Texas Fugitive Task Force in the Northern District of Texas respectfully requests permission to access Tom Green County radio frequencies which have been designated by your agency in accordance with establishing joint communication. Signing this memorandum of understanding would authorize either your agency or our communications staff to program USMS radios with the frequencies which have been identified to establish the above mentioned communication goals.
