

Resolution of the Tom Green County Commissioners' Court County Road Repair Program

WHEREAS, Texas is currently experiencing record oil and gas drilling activity; and

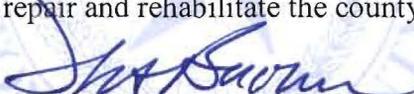

WHEREAS, new drilling and exploration technology has tremendously increased the oil and gas truck traffic on county roads; and

WHEREAS, this truck traffic has literally destroyed many county roads, creating a safety hazard for the public; and

WHEREAS, Texas counties are dependent upon the property tax and have no source of funding to repair the damage from this oil and gas truck traffic; and

WHEREAS, immediate assistance is required to protect the public and prevent further deterioration of the county roads;

NOW, THEREFORE BE IT RESOLVED that on this the 8th day of May 2012, the Commissioners Court of Tom Green County, Texas requests that the Texas Transportation Commission and the Legislative Budget Board convene in emergency session to provide assistance to Texas counties to repair and rehabilitate the county roads.
