Mr. Larry Justiss, Director
Stephens Central Library
33 West Beauregard Avenue
San Angelo, Texas 76903

Dear Mr. Justiss:

The Library Café just celebrated its one year anniversary in April. We sacrificed and endured some barriers, but we feel we were successful. We operated the business with hard work and were proud to be a part of the community.

However, after we were unable to install a Type I vent hood and Type I duct work, we soon realized with all of our efforts and hard work that we could not make this successful. Therefore, The Library Café/Toro Vaun will have to close the café due to decreased revenues.

Sincerely,

Toro Vaun, President
The Library Cafe
