Road issue to be presented to Commissioners' Court on August 7, 2012:

1. Precinct #4

Request to name new Private Road

There are three land owners that will be using a private easement to access their property (three tracts highlighted in green). This easement follows the south side of all three tracts property line and ends approximately 300 feet onto east tract (highlighted in blue).

There are no homes at this time, but there are plans to build, which is what prompted the land owner to call for an address on the property located the furthest east.

All owners have been notified and had input for suggested road name.

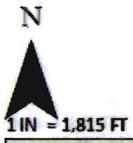

Recommend a new private road be named.

This area IS NOT in the ETJ.

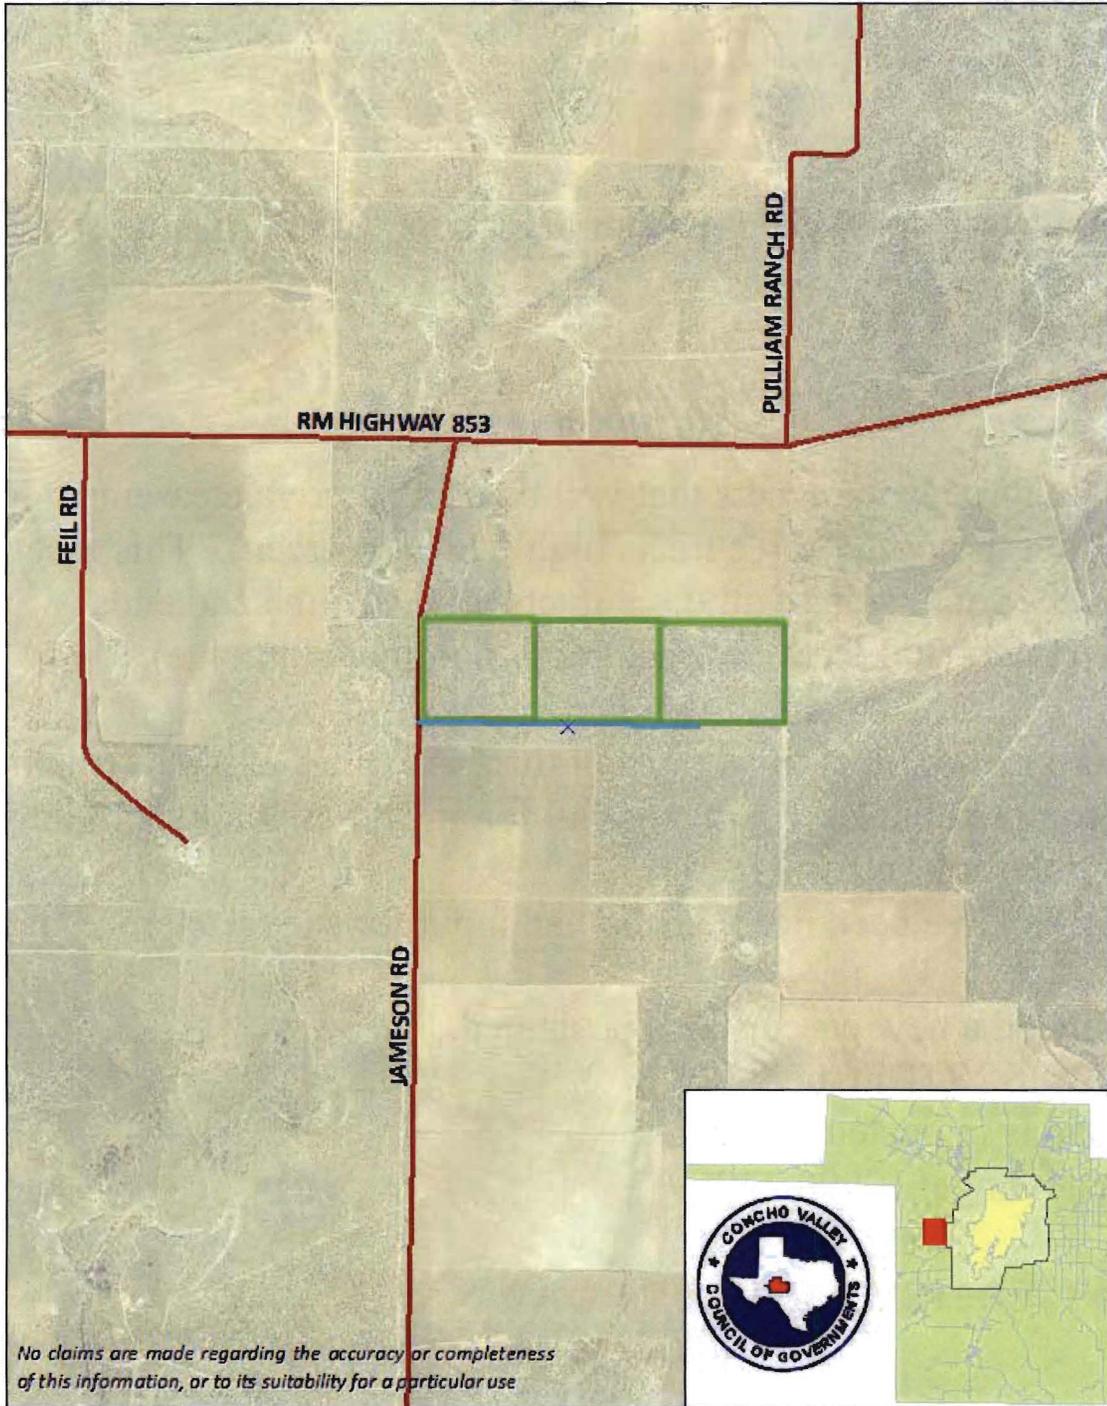

New road is indicated in blue.

New road range: 10900-11399

**PROPOSED NEW PRIVATE ROAD NAME:
