BE IT REMEMBERED, that the Commissioners Court of Tom Green County, Texas previously adopted a plan for the redistricting of Commissioners Court Precincts, Justice of the Peace and Election Precincts. Subsequently to the adoption of a Final Order for the Realignment of Election Precincts, the City of San Angelo, a single member district city with a population in excess of 10,000 persons, revised its single member wards, requiring the County of Tom Green to conform its election precincts to the new San Angelo Wards. This 2nd Supplemental Order, and the attached maps, data and narrative text, set forth the changes resulting from redistricting of City of San Angelo Single Member Districts, and provides an explanation for the necessity of the same.

IT IS THEREFORE ORDERED, ADJUDGED and DECREED that this 2nd Supplemental Order, along with all prior Orders of the Commissioners Court, shall be considered as a whole, and this Order shall constitute the FINAL ORDER of the Tom Green County Commissioners Court regarding redistricting of all Tom Green County political boundaries. Legal Counsel for the County, the firm of Allison, Bass & Associates, LLP, is authorized to make such necessary additions to the Supplemental Data as necessary to comply with the requirements of federal law, or the requests of Department of Justice pre-clearance reviewers.

This Supplemental Order shall be composed of the following information:

2. A list of any altered polling place addresses for each Election Precinct so affected, if any.
3. If necessary, a narrative explanation of any boundary definition that is not sufficiently depicted in map form.
4. If necessary, a narrative explanation of any other condition or circumstance relevant to the redistricting of Tom Green County political boundaries.

Notice of Availability: A copy of the entire submission to the United States Department of Justice shall be available for inspection by the public during regular business hours in the office of the Tom Green County Clerk. The public is invited to make comment upon the plan with the Department of Justice. Comments should be addressed to the Chief, Voting Section, Civil Rights Division, Department of Justice, 320 First Street NW, Room 818A, Washington, D.C. 20001.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the Realignment of Election Precincts depicted in the maps and data attached to this Order are hereby APPROVED and ADOPTED by the Commissioners Court of Tom Green County, Texas. This Final Order shall, in substance, constitute the submission for new political boundaries to the United States Department of Justice pursuant to Section 5 of the Voting Rights Act of 1964, 42 U.S.C. §1973. The Redistricting Plan adopted by this Order shall be effective, subject to Department of Justice preclearance, on January 1, 2013, and for all subsequent elections until changed or modified by

later Order. It is expressly understood that implementation of this plan shall not take place until the receipt of preclearance approval by the United States Department of Justice.

Sec. 42.005. RELATIONSHIP TO WARDS, DISTRICTS, AND JUSTICE AND COMMISSIONERS PRECINCTS. (a) A county election precinct, including a consolidated precinct, may not contain territory from more than one of each of the following types of territorial units:

- (1) a commissioners precinct;
- (2) a justice precinct;
- (3) a congressional district;
- (4) a state representative district;
- (5) a state senatorial district;
- (6) a ward in a city with a population of 10,000 or more; or
- (7) a State Board of Education district.

(b) If application of this section conflicts with application of Section 42.006, this section prevails.

(c) In this section, "ward" means a territorial unit of a city, regardless of its designation under other law, from which a member of the city's governing body is elected by only the voters residing in the territorial unit.

Sec. 42.006. POPULATION REQUIREMENTS. (a) Except as otherwise provided by this section, a county election precinct must contain at least 100 but not more than 5,000 registered voters.

(e) In computing a number of registered voters under this section, voters whose names appear on the list of registered voters with the notation "S", or a similar notation, shall be excluded.

Sec. 42.031. REVIEWING PRECINCTS FOR COMPLIANCE: BOUNDARY CHANGES. (a) During March or April of each odd-numbered year, each commissioners court shall determine whether the county election precincts comply with Sections 42.005, 42.006, and 42.007. The commissioners court may make that determination during March or April of an even-numbered year. Before May 1 of the year in which the determination is made, the commissioners court shall order the boundary changes necessary for compliance.

(b) The commissioners court may order a boundary change only during March or April unless the change is necessary to:

- (1) comply with Section 42.005 or 42.032;
- (2) reduce the number of registered voters in a precinct so it does not exceed the maximum number permitted by Section 42.006; or
- (3) include within a precinct a suitable building available for use as a polling place if no suitable building is available for that purpose within the existing precinct boundary.
