

IN THE COMMISSIONERS COURT OF
TOM GREEN COUNTY, TEXAS

NUNC PRO TUNC

**2ND SUPPLEMENTAL and FINAL ORDER
ADOPTING REVISED ELECTION PRECINCT BOUNDARIES
FOLLOWING REDISTRICTING OF
CITY OF SAN ANGELO WARDS**

BE IT REMEMBERED, that on December 18, 2012, a 2nd Supplemental and Final Order Adopting Revised Election Precinct Boundaries following Redistricting of City of San Angelo Wards. That Order, through error and oversight, failed to address a recent annexation of territory by the City of San Angelo in the Northeast quadrant of the City. Therefore, this NUNC PRO TUNC Order is intended to address that oversight, and to otherwise fully adopt and ratify the prior Order of December 18, 2012.

The Commissioners Court of Tom Green County, Texas previously adopted a plan for the redistricting of Commissioners Court Precincts, Justice of the Peace and Election Precincts. Subsequently to the adoption of a Final Order for the Realignment of Election Precincts, the City of San Angelo, a single member district city with a population in excess of 10,000 persons, revised its single member wards, requiring the County of Tom Green to conform its election precincts to the new San Angelo Wards. This 2nd Supplemental Order, and the attached maps, data and narrative text, set forth the changes resulting from redistricting of City of San Angelo Single Member Districts, and provides an explanation for the necessity of the same.

IT IS THEREFORE ORDERED, ADJUDGED and DECREED that this 2nd Supplemental Order, along with all prior Orders of the Commissioners Court, shall be considered as a whole, and this Order shall constitute the FINAL ORDER of the Tom Green County

Commissioners Court regarding redistricting of all Tom Green County political boundaries. To the extent necessary for a complete submission to the United States Department of Justice, as required by Section 5 of the Voting Rights Act, 42 U.S.C. §1973, this Order may be supplemented by such attachments and additional data as may be required by that statute without the necessity of further action by the Commissioners Court.

Legal Counsel for the County, the firm of Allison, Bass & Associates, LLP, is authorized to make such necessary additions to the Supplemental Data as necessary to comply with the requirements of federal law, or the requests of Department of Justice pre-clearance reviewers.

This Supplemental Order shall be composed of the following information:

1. Map of Election Precincts altered by the modification of San Angelo City Wards demographic data.
2. A list of any altered polling place addresses for each Election Precinct so affected, if any.
3. If necessary, a narrative explanation of any boundary definition that is not sufficiently depicted in map form.
4. If necessary, a narrative explanation of any other condition or circumstance relevant to the redistricting of Tom Green County political boundaries.

Notice of Availability: A copy of the entire submission to the United States Department of Justice shall be available for inspection by the public during regular business hours in the office of the Tom Green County Clerk. The public is invited to make comment upon the plan with the Department of Justice. Comments should be addressed to the Chief, Voting Section, Civil Rights Division, Department of Justice, 320 First Street NW, Room 818A, Washington, D.C. 20001.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the Realignment of Election Precincts depicted in the maps and data attached to this Order are hereby APPROVED

and ADOPTED by the Commissioners Court of Tom Green County, Texas. This Final Order shall, in substance, constitute the submission for new political boundaries to the United States Department of Justice pursuant to Section 5 of the Voting Rights Act of 1964, 42 U.S.C. §1973. The Redistricting Plan adopted by this Order shall be effective, subject to Department of Justice preclearance, on January 1, 2013, and for all subsequent elections until changed or modified by later Order. It is expressly understood that implementation of this plan shall not take place until the receipt of preclearance approval by the United States Department of Justice.

BEFORE ME, the undersigned authority, on this date appeared Rudy Olivas, who having been placed under oath, stated as follows:

“My name is Rudy Olivas, I am of sound mind, and I am legally competent to make this affidavit. I have personal knowledge of the matters contained in this affidavit.

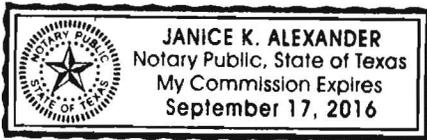

I am employed by Tom Green County, Texas in the office of Elections Administration. On _____, I was directed to conduct a survey of an area east of N. U.S. Highway 67/277 in the northeast portion of San Angelo, Texas, the county seat of Tom Green County. This area had been assigned to Tom Green County Election Precinct 108, but due to recent annexation of territory by the City of San Angelo, this territory had been taken into San Angelo City Ward 4. Prior to this Annexation, City Ward 4 was made up of County Election Precincts 435, 124, 106, 306 and 144, but the annexation affected area that had been in election precinct 348 and Election Precinct 108. If that small portion of Election Precinct 108, which had been assigned to County Commissioners Precinct, and Election Precinct 108, and was situated outside of the municipal boundaries of the City of San Angelo been retained in Commissioners Court Precinct 1, it would have resulted in a “sliver precinct” which contained little or no population, and would have resulted in confusion in the administration of county and city elections.

Therefore, I made a personal inspection of that territory presently contained in Election Precinct 108, as marked on the attached Map as Exhibit A of this Affidavit, and determined that this area contains no population, nor any dwellings capable of housing individuals at this time. As a result, severing this small portion of Election Precinct 108 from that precinct, and realigning it with existing Election Precinct 306 will have no effect upon the demographic balance or ethnic populations of either County Commissioners Court Precincts 1 and 3, or the co-terminus boundaries of Justice of the Peace Precincts 1 and 3.

All matters contained herein are true and correct to my personal knowledge.
