16. PUBLICITY AND PROMOTION. The parties may issue one or more mutually agreed upon press releases at mutually agreed times. Boopsie may include Customer's name in a list of its customers. Customer shall prominently promote the Custom Client download on its website and other online and offline communication channels as appropriate.

17. MISCELLANEOUS. This Agreement represents the complete agreement regarding the subject matter of this Agreement and supersedes all prior and contemporaneous agreements, understandings, negotiations and discussions, whether oral or written, of the parties.

No purchase order, other ordering document or any hand written or typewritten text which purports to modify or supplement the printed text of this Agreement or any Product Order Form shall add to or vary the terms of this Agreement unless signed or initialed by authorized representatives of each party.

b. Unenforceable Provisions. If any provision of this Agreement is held to be unenforceable, such provision shall be reformed only to the extent necessary to make the remainder of the Agreement enforceable.

c. Notices. All notices given under this Agreement shall be in writing, and shall be delivered by a form of mail to the addresses listed on the Product Order Form, which provides receipt evidencing such delivery.

other breach will be waived. Unless stated otherwise in this Agreement, the remedies provided are cumulative, and are in addition to any other remedies available at law or equity.

e. Independent Contractors. The parties hereto are and shall remain independent contractors. Nothing herein shall be deemed to establish a partnership, joint venture, or agency relationship between the parties.

f. Counterparts. This Agreement may be executed in several counterparts, all of which taken together constitute one single agreement between the parties.

g. Assignment. Neither party shall assign or transfer this Agreement or any of its rights or obligations hereunder without the prior written consent of the other, which consent shall not be unreasonably withheld, and any attempt to do so without such consent will be void; provided, however, that, upon written notice to the other party, (i) either party may assign its rights or obligations hereunder to a parent corporation or an affiliate in which the assigning party or its parent corporation holds a Controlling interest without the consent of the other party and (ii) either party may assign its rights and obligations hereunder in connection with any transaction involving the merger, acquisition or consolidation of the assigning party or the sale of all or substantially all of its assets without the consent of the other party. This Agreement shall inure to the benefit of and bind successors and permitted assigns of the parties.

For example, Apple, Inc. approves any software included in the AppStore. While Boopsie has extensive experience in getting applications based upon the software in the Custom Client accepted by such third party application stores, such third party stores exercise complete control over what is approved. Therefore, Boopsie cannot and does not guarantee that third parties asserting such control over their application stores will accept the Custom Client.
