

SECTION 179D ALLOCATION

As part of the Energy Policy Act of 2005, Congress enacted Section 179D of the Internal Revenue Code in order to encourage the energy efficient design and construction of new or rehabilitated properties. This program allows tax exempt government building owners to allocate potential Section 179D deductions for energy efficient building envelope, HVAC and hot water systems, or interior lighting systems to taxpayers who worked on those systems for the government-owned buildings. Taxpayers eligible to receive an allocation may include an architect, engineer, contractor, environmental consultant or energy services provider.

In the event that the (see attached schedule) ("Building"), located at (see attached schedule), meets the energy efficiency requirements of Section 179D, Stephen C. Floyd, representative for Tom Green County ("Property Owner"), the owner of the Building allocates the full federal income tax deduction available under Section 179D attributable to the *Building Envelope, HVAC and hot water systems, and lighting systems* to Templeton Construction for their work on the Building. The Building was placed into service in (see attached schedule) and the cost of the property is (see attached schedule).

We acknowledge that at the time of signing, the Building has not yet been certified as meeting the energy efficiency requirements of Sec. 179D. Attached documents (if any) do not relate to the energy efficiency of the Building.

Required IRS Statement:

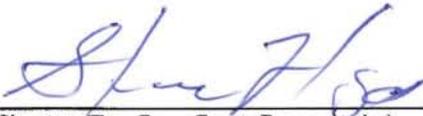

Under penalties of perjury, I declare that I have examined this allocation, including accompanying documents, and to the best of my knowledge and belief, the facts presented in support of this allocation are true, correct, and complete.
