This Request is in regards to a single phase power line constructed along the North side of 15th street and the East side of Coleman street R_O_W in Carlsbad,

Please accept this letter as notice of Concho Valley Electric Cooperative's intent to construct a new single-phase electric power line along the North side of 15th street and the East side of Coleman street . R_O_W. The line shall begin about 450' East of the intersection of 15th and Llano street From this point continue West for about 1015' to where we will stop. Then from the intersection of Coleman and 15th street we will be on the East side of Coleman going North for about 610' and then jump over Coleman street on to private property on the West side Coleman. This power line will be for the purposes of serving a new residence.

I thank you for the courts cooperation and consideration on matters such as these. Please contact if there are any problems or questions.

Sincerely,

**Michael Long
Engineering Technician**
