For hosting an Unclaimed Property Search Event

July 14, 2014 • San Angelo, TX

The Comptroller's Office gratefully acknowledges the valuable assistance given to its Unclaimed Property Outreach Team. By helping Texans look for and locate monies and other financial assets belonging to them that the State of Texas is holding for safekeeping, this office promotes both fiscal responsibility and good citizenship. The spirit of cooperation and example of teamwork evidenced hereby are a credit to the entire staff and a source of pride for the residents of this county. Texas taxpayers salute this splendid partnership.
