September 5, 2014

Mr. Rick Bacon
County Commissioner
Precinct 3
Tom Green County
113 W. Beauregard Ave.
San Angelo, TX 76901

Mr. Bacon,

This request is in regards to a single phase power line being constructed along the Angelo St. right-of-way in Carlsbad, TX.

Concho Valley Electric Cooperative proposes to construct a new electric line along the east side of Angelo St., beginning approximately 423 feet south of the intersection of Angelo St. and 8th St. The new construction will begin in-line with existing electric utilities and continue north 490 feet, including the crossing of 8th St. and entering the property of Don Kennemer (Dec) Trust. This project will include one (1) new pole and removal of one (1) anchor, all placed near 2 feet outside of the property fence belonging to Douglas Parsons.

The adjoining map displays the extents of the construction.

I thank you for the courts cooperation and consideration on matters such as these. If you have any questions, please contact me through one of the methods below.

Thank you,

Tim Dickson
Engineering Technician
Concho Valley Electric Cooperative
