

**AGREEMENT BETWEEN THE TEXAS DEPARTMENT OF AGRICULTURE
AND
THE COUNTY OF TOM GREEN
CONTRACT NO. 7214105
FOR
THE COLONIA FUND: CONSTRUCTION**

SECTION 1. PARTIES TO CONTRACT

This contract and agreement is made and entered into by and between the Texas Department of Agriculture (herein referred to as the "Department"), an agency of the State of Texas, and the County of Tom Green (herein referred to as the "Contractor"). The Department and the Contractor are collectively referred to hereinafter as the "Parties." The Parties have severally and collectively agreed and by the execution hereof are bound to the mutual obligations and to the performance and accomplishment of the tasks described herein.

SECTION 2. CONTRACT PERIOD

This contract and agreement shall commence on November 24, 2014, and shall terminate on November 23, 2016, unless otherwise specifically provided by the terms of this contract.

SECTION 3. PURPOSE

The Department has been designated as the state agency to administer, and the United States Government has awarded the Department funds for, the Texas Community Development Block Grant ("TxCDBG") Program under Title I of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301 et seq.), herein referred to as the "HCD Act."

The Contractor has submitted, and the Department has approved, Contractor's application (herein referred to as the "Application") which will undertake community development activities (herein referred to as the "Project") and which is incorporated as part of this contract.

SECTION 4. CONTRACTOR PERFORMANCE

A. The Contractor shall conduct the Project in a non-entitlement area in a manner satisfactory to the Department and consistent with any standards required as a condition of providing these funds. The authorized use of TxCDBG funds is premised upon, and conditioned on, the Contractor fulfilling a CDBG national objective as a result of the TxCDBG-assisted activities. The Contractor shall perform all activities in accordance with the terms of the Performance Statement (Exhibit A); the Budget, (Exhibit B); the Project Implementation Schedule (Exhibit C); the Special Conditions (Exhibit D); the Applicable Laws and Regulations (Exhibit E); the Certifications (Exhibit F); the assurances, certifications, and all other statements made by the Contractor in the Application; and with all other terms, provisions, and requirements set forth in this contract.

B. The Contractor shall ensure that the persons to benefit from the activities described in the Performance Statement are receiving the service or a benefit from the use of the new or improved facilities and activities for the contract obligations to be fulfilled and before submitting the Project Completion Report to the Department. If the persons to benefit from the activities described in the Performance Statement are not receiving the service or a benefit, the Contractor is liable to repay to the Department any associated disallowed costs within the timeframe specified by the Department.

C. The Contractor shall adhere to the Project Implementation Schedule timelines for key project activities. As described in the TxCDBG Project Implementation Manual and policy directives, the Department may require the Contractor to submit written justification and take remedial action for any contract activity that is not completed by the date specified on the Project Implementation Schedule.

SECTION 5. DEPARTMENT OBLIGATIONS

A. Payment for Allowable Costs

In consideration of full and satisfactory performance of the activities referred to in Section 4 of this contract, the Department shall be liable for actual and reasonable costs incurred by the Contractor during the contract period for performances rendered under this contract, subject to the limitations set forth in this Section.

1. It is expressly understood and agreed by the Parties that the Department's obligations under this contract are contingent upon the actual receipt of adequate state or federal funds to meet the Department's liabilities under this contract. If adequate funds are not available to make payments under this contract, the Department shall notify the Contractor in writing within a reasonable time after such fact is determined. The Department shall terminate this contract and will not be liable for failure to make payments to the Contractor under this contract.
2. The Department shall not be liable to the Contractor for any costs incurred by the Contractor, or any portion thereof, which has been paid or is subject to payment to the Contractor, or has been reimbursed or is subject to reimbursement to the Contractor by any source other than the Department or the Contractor.
3. The Department shall not be liable to the Contractor for any costs incurred by the Contractor which are not allowable costs, as set forth in Section 7 of this contract.
4. The Department shall not be liable to the Contractor for any costs incurred by the Contractor or for any performances rendered by the Contractor which are not strictly in accordance with the terms of this contract.
5. The Department shall not be liable for costs incurred or performances rendered by the Contractor before commencement of this contract or after termination of this contract. The Department may reimburse allowable administrative and engineering costs incurred by the Contractor prior to this contract's execution date, if prior to the award the Contractor requested and received written approval from the Department, and the Contractor complied with all requirements for the release of such funds.
6. The Department shall not be liable to the Contractor for any costs incurred by the Contractor in the performance of this contract which have not been submitted to the Department by the Contractor within 60 days following termination of this contract, with the exception of administrative costs for preparation of a Single Audit. Administration funds reserved on the Certificate of Expenditures for audit costs and eligible for reimbursement shall be billed to the Department within nine (9) months after the end of the Contractor's fiscal year that follows the termination date of this contract. The Department shall deobligate all funds not requested under this paragraph.

B. Excess Payments

The Contractor shall refund to the Department any sum of money which has been paid to the Contractor by the Department which the Department determines has resulted in overpayment to the Contractor, or which the Department determines has not been spent by the Contractor in accordance with the terms of this contract. Such refund shall be made by the Contractor to the Department within 30 calendar days after such refund is requested by the Department.

C. Limit of Liability

Notwithstanding any other provision of this contract, it is expressly agreed and understood that the total amount to be paid by the Department to Contractor for allowable expenses incurred under this contract shall not exceed Five Hundred Thousand and No/100 Dollars (\$500,000).

SECTION 6. GENERAL CONDITIONS

A. General Compliance

The Contractor agrees to comply with the requirements of Title 24 of the Code of Federal Regulations (CFR) Part 570 (the U.S. Housing and Urban Development [HUD] regulations concerning CDBG), in particular Subparts I - K. The Contractor also agrees to comply with all other applicable Federal, state and local laws, regulations, and policies governing the funds provided under this contract, including those specified in the Applicable Laws and Regulations attached to this contract. The Contractor further agrees to utilize funds available under this contract to supplement rather than supplant funds otherwise available.

B. “Independent Contractor”

Nothing contained in this contract is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Contractor shall at all times remain an “independent contractor” with respect to the services to be performed under this contract.

C. Indemnification

The Contractor agrees, to the extent allowed by law, to hold harmless, defend and indemnify the Department from any and all claims, actions, suits, charges and judgments whatsoever that arise out of the Contractor’s performance or nonperformance of the activities, services or subject matter called for in this contract.

D. Department Recognition

1. Public buildings, facilities, and centers, including infrastructure visible to the general public, constructed with funds provided under this contract shall have permanent signage placed in a prominent visible public area with the wording provided below.
2. Other construction projects, e.g., water transmission lines, sewer collection lines, drainage, roadways, housing rehabilitation, etc., utilizing funds provided under this contract shall have temporary signage erected in a prominent location at the construction project site or along a major thoroughfare within the locality as directed by the owner.
3. Size and Formatting. The signage must be legible from a distance of at least three feet and comply with the size and formatting requirements set forth in the TxCDBG Project Implementation Manual.
4. Project Sign Wording: “This project is funded by the Office of Rural Affairs of the Texas Department of Agriculture with funds allocated by the United States Department of Housing and Urban Development through the Community Development Block Grant Program.”

E. Changes and Amendments

1. Except as specifically provided otherwise in this contract, any alterations, additions, or deletions to the terms of this contract shall be by amendment in writing and executed by both parties to this contract or as otherwise provided in the TxCDBG Project Implementation Manual. Such amendments shall not invalidate this contract, nor relieve or release the Department or the Contractor from its obligations under this contract.
2. A request for an extension must be supported by documentation of extenuating circumstances beyond Contractor’s control which prevented completion of the project within the contract period.
3. A request to extend the contract period should be submitted in writing to the Department as soon as a delay is foreseen. Contract extension requests must be submitted to the Department approximately 60 days but no later than 30 days prior to the expiration of the contract and include a revised implementation schedule showing when

major milestones will be completed for each activity. A request for an exception to the requirements specified in this paragraph will be evaluated in accordance with the applicable section of the TxCDBG Project Implementation Manual.

4. It is understood and agreed by the parties that performances under this contract must be rendered in accordance with the HCD Act; the policies, procedures and regulations of the Department; assurances and certifications made to the Department by the Contractor; and the assurances and certifications made to HUD by the State of Texas with regard to the operation of the TxCDBG Program. Based on these considerations, and in order to ensure the legal and effective performance of this contract by both parties, it is agreed by the parties that the performances under this contract are amended by the provisions of the TxCDBG Project Implementation Manual and any amendments thereto and may further be amended in the following manner: The Department may from time to time during the period of performance of this contract issue policy directives which serve to establish, interpret, or clarify performance requirements under this contract. Such policy directives shall be promulgated by the Department in the form of TxCDBG issuances, shall have the effect of qualifying the terms of this contract and shall be binding upon the Contractor, as if written herein, provided however that the policy directives and any amendments to the TxCDBG Project Implementation Manual shall not alter the terms of this contract so as to release the Department from any obligation specified in Section 5 of this contract to reimburse costs incurred by the Contractor prior to the effective date of the amendments or policy directives.

5. Any alterations, additions, or deletions to the terms of this contract which are required by changes in Federal or State law or regulations are automatically incorporated into this contract without written amendment and shall become effective on the date designated by such law or regulation.

F. Remedies for Noncompliance

1. Suspension or Termination

a. The Department may suspend or terminate this contract, in whole or in part, if the Contractor materially fails to comply with any term of this contract, including but not limited to:

(1) Failure to comply with any of the rules, regulations or provisions referred to herein, or such statutes, regulations, executive orders, and HUD guidelines, policies or directives as may become applicable at any time;

(2) Failure, for any reason, of the Contractor to fulfill its obligations under this contract within the timeframes and manner as specified by the Department;

(3) Failure to complete activities in accordance with the Project Implementation Schedule;

(4) Failure to submit to the Department, within the timeframes and manner as specified by the Department, any report required by this contract;

(5) Submission by the Contractor to the Department reports that are incorrect or incomplete in any material respect; or

(6) Misuse or improper use of funds provided under this contract.

b. Knowingly making false statements or providing false information on a grant application, certification, or report submitted to the Department is grounds for termination of the contract award.

c. The contract may also be terminated for convenience, in whole or in part, only as follows:

(1) by the Department with the consent of the Contractor in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated; or

(2) by the Contractor upon written notification to the Department, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the Department determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the Department may terminate the award in its entirety.

d. Upon termination or receipt of notice to terminate, whichever occurs first, the Contractor shall cancel, withdraw, or otherwise terminate any outstanding orders or subcontracts related to the performance of this contract or the portion of this contract to be terminated, as applicable, and shall cease to incur costs thereunder. The Department shall not be liable to the Contractor for costs incurred after termination of this contract.

e. Notwithstanding any exercise by the Department of its right of suspension or termination as provided in this Section, the Contractor shall not be relieved of any liability to the Department for damages due to the Department by virtue of any breach of this contract by the Contractor. The Department may withhold payments to the Contractor until such time as the exact amount of damages due to the Department from the Contractor is agreed upon or is otherwise determined.

2. If the Contractor materially fails to comply with any term of the award, whether stated in a federal or state statute or regulation, an assurance, in a state plan or application, a notice of award, or elsewhere, the Department, until it is satisfied that there is no longer any such failure to comply, will take one or more of the following actions, or impose other sanctions, as appropriate in the circumstances:

- a. Terminate payments to the Contractor under this contract;
- b. Temporarily withhold payments pending correction of the deficiency by the Contractor;
- c. Reduce the grant award or disallow all or part of the cost of the activity or action not in compliance;
- d. Wholly or partly suspend or terminate the current award;
- e. Withhold further awards for the program; or
- f. Take other remedies that may be legally available.

3. Reduction of Payments. In addition to, or in lieu of, any other right or remedy specified in this contract, as determined by the Department, in its sole discretion, violations or breaches by the Contractor of certain contractual and TxCDBG program requirements will result in the reduction of Administration funds awarded under this contract in accordance with the following table:

<u>Violation</u>	<u>Amount of Reduction</u>
▪ Acquisition	10%
▪ Environmental Clearance	15%
▪ Equal Employment Opportunity/Fair Housing	10%
▪ Labor Standards	15%
▪ Inaccurate or incomplete reporting	10%
○ Progress Reports	
○ Project Completion Report	
○ "Section 3" Reports	

4. Withholding of Payments. In addition to the limitations on liability otherwise specified in this contract, if the Contractor fails to submit to the Department in a timely and satisfactory manner any report required by this contract, the Department shall, at its sole option and in its sole discretion, withhold any or all payments otherwise due or requested by the Contractor. If the Department withholds such payments, it shall notify the Contractor in writing of its decision and the reasons therefore. Payments withheld pursuant to this section may be held by the

Department until such time as the delinquent obligations for which funds are withheld are fulfilled by the Contractor.

5. Ineligibility Period

a. Delinquent audit. If the Contractor fails to comply with the single audit requirements specified in this contract and fails to submit an acceptable audit report within 90 days after the receipt of notice by the Department that the audit is past due, the Contractor shall be ineligible to receive other TxCDBG grant funding opportunities for a period of one year after the 90-day period.

b. Delinquent debt. If the Department requests or requires the Contractor to repay funds to the Department as a result of the Contractor's noncompliance with contractual or TxCDBG program requirements and the Contractor fails to repay the funds by such date as specified by the Department, the Contractor shall be ineligible to receive any future TxCDBG grant funding until the Contractor has repaid the entire obligation to the Department.

6. Opportunity to cure. The Department shall give the Contractor an opportunity to cure a breach of contract as follows:

a. Department shall provide written notice to the Contractor, detailing all elements of the breach or noncompliance.

b. Contractor must commence cure within 30 days of the Department's notice.

c. Contractor must notify the Department in writing within 30 days that cure has begun and provide detailed explanation of the steps being made to cure the breach or noncompliance.

d. Contractor must complete the cure within 90 days of the Department's notice.

e. Failure to commence cure within 30 days, or failure to complete cure within 90 days, will result in the Department's right to immediately terminate the contract or take other remedial action that may be legally available.

SECTION 7. ADMINISTRATIVE REQUIREMENTS

A. Financial Management

1. Uniform Administrative Requirements. Except as specifically modified by law or the provisions of this contract, the Contractor shall comply with applicable uniform administrative requirements, as described in 24 CFR 570.502 and 24 CFR Part 85, "Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments," as supplemented by the rules promulgated by the Office of the Comptroller under the Uniform Grant and Contract Management Act (Tex. Gov't. Code Chapter 783, referred to as "UGCMS").

2. Accounting Standards. The Contractor agrees to comply with 24 CFR 85.20-26 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

3. Cost Principles. The Contractor shall comply with the requirements and standards of the Department and HUD on the allowability of costs and the use of TxCDBG funds. The allowability of costs incurred for performances rendered under this contract shall be determined in accordance with applicable federal regulations and cost principles, as supplemented by UGCMS and this contract.

B. Documentation and Record Keeping

1. Records to be Maintained. The Contractor shall maintain all records required by the Federal regulations specified in 24 CFR 570.490 and 570.506 that are pertinent to the activities to be funded under this contract. Such records shall include but are not limited to:

- a. Records providing a full description of each activity undertaken;
- b. Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
- c. Records required to determine the eligibility of activities;
- d. Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with TxCDBG assistance;
- e. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program (Such records must include data on the racial, ethnic, and gender characteristics of persons who are applicants for, participants in, or beneficiaries of the funds provided under this contract);
- f. Financial records as required by 24 CFR 570.502;
- g. Records documenting compliance with labor standards and environmental review; and
- h. Other records necessary to document compliance with Subpart K of 24 CFR Part 570.

2. Audits & Inspections/Access to Records

a. The Contractor shall give HUD, the Inspector General, the General Accounting Office, the Auditor of the State of Texas, an office or agency of the State of Texas, and the Department, or any of their duly authorized representatives, access to all books, accounts, records, reports, files, and other papers or property pertaining to the administration, receipt and use of TxCDBG funds as may be necessary to facilitate their review and audit of the Contractor's administration and use of TxCDBG funds received under this contract. Such rights to access shall continue as long as the records are retained by the Contractor. The Contractor agrees to maintain such records in an accessible location and to provide citizens reasonable access to such records consistent with the Texas Public Information Act (Tex. Gov't. Code, Chapter 552). The Contractor shall include the substance of this clause concerning the authority to audit funds and the requirement to cooperate in all subcontracts it awards.

b. Any deficiencies noted in audit reports must be fully cleared by the Contractor within 30 days after receipt by the Contractor. Failure of the Contractor to comply with the audit requirements will constitute a violation of this contract and will result in the Contractor's ineligibility to receive other TxCDBG funding opportunities for a period of one year as provided in Section 6 of this contract.

c. The Contractor understands and agrees that it shall be liable to the Department for any costs disallowed pursuant to financial and compliance audit(s) of funds received under this contract. The Contractor further understands and agrees that reimbursement to the Department of such disallowed costs shall be paid by the Contractor from funds which were not provided or otherwise made available to the Contractor under this contract.

3. Records Retention. The Contractor shall retain all financial and programmatic records, supporting documents, statistical records, and all other records required to be maintained by 24 CFR 570.490 and 570.506, 24 CFR 85.42, and this contract for the greater of: (i) three years after close-out of the grant from HUD to the State of Texas (not the closeout of this contract); or (ii) other record retention obligations specific to the Contractor's contract or project. Contractor may be required to meet record retention requirements greater than those specified in this Section until audit issues are resolved to the Department's satisfaction, the requirements of 24 CFR 570.487 and 570.488 are met, or the requirements of other applicable law or regulations are met. The Department posts a list on its website of contracts that HUD has closed out with the State of Texas. These contracts are listed by closed Program Year, updated once a year or as needed. In the event Contractor has a question regarding the record retention requirements under this contract, it should contact the Department. The Contractor shall include the substance of this clause in all subcontracts it awards.

4. Close-outs. The Contractor's obligation to the Department shall not end until all close-out requirements are completed. Activities during this close-out period shall include but are not limited to: making final payments, disposing of program assets (including the return of all unspent funds, program income balances, and accounts receivable to the Department), and determining the custodianship of records. The Contractor shall submit all

required close-out reports to the Department, in a format prescribed by the Department, no later than 60 days after the contract termination date or at the conclusion of all contract activities as determined by the Department. Notwithstanding the foregoing, the terms of this contract shall remain in effect during any period that the Contractor has control over TxCDBG funds, including program income.

C. Reporting and Payment Procedures

1. Program Income. In the same manner as required for all other funds under this contract, the Contractor shall maintain records of the receipt, accrual, and disposition of all program income (as defined at 24 CFR 570.489(e)) generated by activities carried out with TxCDBG funds made available under this contract. The use of program income by the Contractor shall comply with the requirements set forth at 24 CFR 570.489(e) and 570.504. By way of further limitations, the Contractor shall use such income during the contract period for activities permitted under this contract prior to requesting additional funds from the Department. The Contractor shall provide reports of program income to the Department with each payment request form submitted by the Contractor in accordance with the payment procedures described herein, and at the termination of this contract. All unexpended program income shall be returned to the Department at the end of the contract period, unless otherwise specifically provided within this contract.

2. Payment Procedures

a. The Department shall pay to Contractor based upon information submitted by the Contractor, consistent with the approved budget and Department policy concerning payments. Payments shall be made for eligible expenses actually incurred by the Contractor, and not to exceed actual cash requirements. Payments will be adjusted by the Department in accordance with program income balances available in Contractor accounts.

b. The Department shall not be liable to the Contractor for any costs incurred by the Contractor under this contract until the Contractor submits to the Department a properly completed Form A202, Depository/Authorized Signatories Designation Form, found in Chapter 2 of the TxCDBG Project Implementation Manual.

c. The Contractor shall submit to the Department at its offices in Austin, Texas, a properly completed Request for Payment form as specified by the Department. Contractor must submit a request for payment under each budget line item, or a written justification for the delay in drawdown of funds, within nine (9) months of the contract start date and every nine (9) months thereafter. Drawdowns for the payment of eligible expenses shall be made against the line item budgets specified in the Budget and in accordance with performance. Expenses for general administration shall also be paid against the line item budgets specified in the Budget and in accordance with performance. The Department shall determine the reasonableness of each amount requested and shall not make disbursement of any such payment until the Department has reviewed and approved such Request.

d. Notwithstanding the provisions of clauses C.2.a to C.2.c of this Section, it is expressly understood and agreed by the Parties that payments under this contract are contingent upon the Contractor's full and satisfactory performance of its obligations under this contract.

3. Progress Reports. The Contractor shall submit regular Progress Reports to the Department in the form, content, and frequency as required by the Department. The Contractor shall comply with all reporting and submission requirements of the Federal Funding Accountability and Transparency Act (Public Law 109-282, as amended by section 6202(a) of Public Law 110-252; 31 U.S.C. § 6101 note), as well as the reporting and submission requirements of HUD as prescribed by the Department.

The Contractor is required to immediately report to the Department any incident of misapplication of TxCDBG funds, or other instances of fraud affecting TxCDBG funds or related projects, associated with this contract.

D. Procurement

Unless specified otherwise within this contract, the Contractor shall procure all materials, property, or services in accordance with: (1) current Department policy concerning procurements, (2) the requirements of 24 CFR Part 85, as modified by 24 CFR 570.502(a), and (3) Chapter 252 or 262 of the Texas Local Government Code, as applicable. The Contractor shall ensure that all purchase orders and contracts include all applicable references to statutes, implementing regulations and executive orders. In addition, the Contractor shall maintain records of all materials, property, and services as may be procured with funds provided herein.

E. Use and Reversion of Assets

The use and disposition of real property and equipment under this contract shall be in compliance with the requirements of 24 CFR Part 85 and 24 CFR 570.489(j), 570.502, 570.503(b)(7), and 570.504, as applicable, which include but are not limited to the following:

1. The Contractor shall transfer to the Department any TxCDBG funds on hand and any accounts receivable attributable to the use of funds under this contract at the time of expiration, cancellation, or termination.
2. Real property under the Contractor's control that was acquired or improved, in whole or in part, with funds under this contract in excess of \$25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five years after expiration of this contract. If the Contractor fails to use TxCDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Contractor shall pay the Department an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-TxCDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute program income to the Department. The Contractor may retain real property acquired or improved under this contract after the expiration of the five-year period.

SECTION 8. PERFORMANCE MONITORING

A. The Department shall monitor the performance of the Contractor against the goals stated in the Performance Statement and the milestones listed in the Project Implementation Schedule. The Department reserves the right to perform periodic on-site monitoring of the Contractor's compliance with the terms and conditions of this contract, and of the adequacy and timeliness of the Contractor's performances under this contract. After each monitoring visit, the Department shall provide the Contractor with a written report of the monitor's findings. If the monitoring reports note deficiencies in the Contractor's performances under the terms of this contract, the monitoring report shall include requirements for the timely correction of such deficiencies by the Contractor. Failure by the Contractor to take action specified in the monitoring report may be cause for suspension or termination of this contract, as provided in Section 6 of this contract, or the Department may withhold other pending grant awards.

B. If the contract ends without any project beneficiaries resulting from the use of contract funds, the Contractor shall reimburse to the Department all contract funds disbursed to the Contractor, including but not limited to funds disbursed for administration and engineering services. The Contractor shall be required to repay the funds within the timeframe specified by the Department after the receipt of notice by the Department that funds must be repaid.

SECTION 9. SUBCONTRACTS

A. Except for subcontracts to which the federal labor standards requirements apply, the Contractor may subcontract for performances described in this contract without obtaining the Department's prior written approval. The Contractor shall only subcontract for performances described in this contract to which the federal labor standards requirements apply after the Contractor has verified the subcontractor's eligibility under the federal System for Award Management and has followed the subcontracting requirements in the TxCDBG Project Implementation Manual. The Contractor, in subcontracting for any performances described in this contract, expressly understands that in entering into such subcontracts, the Department is in no way liable to the Contractor's subcontractor(s).

B. Selection Process

1. The Contractor shall undertake to insure that all subcontracts let in the performance of this contract shall be awarded on a fair and open competition basis in accordance with applicable procurement requirements.
2. Documentation concerning the selection process, including evidence of competitive procurement as specified in the TxCDBG Project Implementation Manual, shall be submitted to the Department prior to drawdown of funds relating to the appropriate subcontract.
3. Executed copies of all subcontracts shall be forwarded to the Department upon request.

C. The Contractor shall ensure that the applicable prevailing wage rate is included in the advertising and solicitation of bids in accordance with the TxCDBG Project Implementation Manual.

D. Monitoring. The Contractor shall monitor all subcontracted services on a regular basis to assure contract compliance. In no event shall any provision of this Section be construed as relieving the Contractor of the responsibility for ensuring that the performances rendered under all subcontracts are rendered so as to comply with all of the terms of this contract, as if such performances rendered were rendered by the Contractor. The Department's approval under this Section does not constitute adoption, ratification, or acceptance of the Contractor's or subcontractor's performance. The Department maintains the right to insist upon the Contractor's full compliance with the terms of this contract, and by the act of approval under this Section, the Department does not waive any right of action which may exist or which may subsequently accrue to the Department under this contract.

E. Content. The Contractor shall cause all of the provisions of this contract in its entirety to be included in and made a part of any subcontract executed in the performance of this contract.

F. Bonding. The Contractor shall comply with the bonding requirements of Chapter 2253 of the Texas Government Code and 24 CFR 85.36(h), as applicable.

G. The Contractor shall maintain a retainage in the amount of five percent (5%) of each construction or rehabilitation subcontract entered into by the Contractor until the Department determines that the Federal labor standards requirements applicable to each such subcontract have been satisfied.

SECTION 10. LEGAL AUTHORITY

A. The Contractor assures and guarantees that the Contractor possesses the legal authority to enter into this contract, receive funds authorized by this contract, and to perform the services the Contractor has obligated itself to perform.

B. The person or persons signing and executing this contract on behalf of the Contractor, or representing themselves as signing and executing this contract on behalf of the Contractor, do hereby warrant and guarantee that he, she or they have been duly authorized by the Contractor to execute this contract on behalf of the Contractor and to validly and legally bind the Contractor to all terms, performances, and provisions set forth.

C. The Department shall have the right to suspend or terminate this contract if there is a dispute as to the legal authority of either the Contractor or the person signing this contract to enter into this contract or to render performances. The Contractor is liable to the Department for any money it has received from the Department for performance of the provisions of this contract, if the Department has suspended or terminated this contract for reasons enumerated in this Section.

SECTION 11. LITIGATION AND CLAIMS

The Contractor shall give the Department immediate notice in writing of (1) any action, including any proceeding before an administrative agency, filed against the Contractor arising out the performance of any subcontract; and (2) any claim against the Contractor, the cost and expense of which the Contractor may be entitled to be reimbursed by

the Department. Except as otherwise directed by the Department, the Contractor shall furnish immediately to the Department copies of all pertinent papers received by the Contractor with respect to such action or claim. The Contractor shall provide a notice to the Department within 30 days upon filing under any bankruptcy or financial insolvency provision of law.

SECTION 12. AUDIT

A. Notwithstanding the requirements in subsection B of this Section, the Contractor shall submit within 60 days after its fiscal year end an Audit Certification Form (ACF) or a similar statement. The Contractor shall submit an ACF to the Department annually as long as the Contractor has an open contract with the Department. The ACF or statement must include information indicating whether the Contractor has or has not met the \$500,000 expenditure threshold that will require a Single Audit Report. If the Contractor did not exceed the threshold, the Contractor shall include with the ACF or statement a list of all open Federal or State contracts providing financial assistance and the corresponding activity (including all contracts with the Department and other funding agencies). Failure by the Contractor to submit a complete ACF or a similar statement as described in the audit requirements by the required due date will affect funding for all existing contracts, eligibility to apply under the TxCDBG Program, and the issuance of new contracts for funding awards.

B. If Contractor expends \$500,000 or more in Federal awards, including TxCDBG funds or other Federal financial assistance received indirectly from pass-through entities, during a fiscal year, the Contractor shall be responsible for obtaining an audit in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501–7507) and other applicable federal regulations. The audit shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

C. If the Contractor has a single audit performed, the Contractor shall submit to the Department:

- One (1) copy of the Single Audit Report;
- One (1) copy of the Department's Single Audit Report Submission Check List (See Audit Certification Form packet for check list); and
- One (1) copy of the CPA's Management Letter (if issued by CPA firm to Contractor), and Management's response to the Department.

The Contractor shall submit the audit package to the Department within 30 days after completion of the audit, but no later than nine (9) months after the end of the Contractor's audit period (i.e., after the Contractor's fiscal year end). The Contractor shall ensure that the audit report is made available for public inspection within 30 days after completion of the audit. The Contractor shall ensure the Audit Report submitted also includes the submission of the CPA Management Letter if a Management Letter was issued to the Contractor by its CPA firm. D. The Contractor shall take such action to facilitate the performance of such audit or audits conducted pursuant to this Section and Section 7 as the Department may require of the Contractor. The Contractor shall establish written standard operating procedures and internal controls to include the timely procurement of a CPA firm to start and complete the year end single audit report if applicable, in order to comply with contractual and regulatory requirements. The Department shall not release any funds for any costs incurred by the Contractor under this contract until the Department has received a copy of any audit report required by this Section.

SECTION 13. ENVIRONMENTAL REVIEW REQUIREMENTS

A. As evidenced by the execution of this contract, the Contractor understands and agrees that the Contractor is responsible for environmental review, decision-making, and action under 42 U.S.C. 5304(g), the National Environmental Policy Act of 1969 (NEPA) [42 U.S.C. 4321 et seq.], and other provisions of law that further the purposes of NEPA, as specified in 24 CFR 58.5. The Contractor shall comply with the environmental review procedures set forth in 24 CFR Part 58, the TxCDBG Project Implementation Manual, and all other applicable federal, state, and local laws insofar as they apply to the performance of this contract. The Contractor must certify that it has complied with the requirements that would apply under the laws and authorities cited in 24 CFR 58.5 and must consider the criteria, standards, policies and regulations of these laws and authorities. In addition, the Contractor must comply with the requirements specified in 24 CFR 58.6.

The Contractor shall be responsible for ensuring compliance with all applicable requirements has been achieved; for issuing the public notification; for submitting the request for release of funds and related certifications, when required; and for ensuring the Environmental Review Record is complete.

B. Limitations on Activities Pending Clearance

1. Neither the Contractor nor any participant in the development process, or any of their contractors, may commit TxCDBG funds on an activity or project, or execute a legally binding agreement for property acquisition, rehabilitation, conversion, repair or construction pertaining to a specific site, until the Contractor has completed the 24 CFR Part 58 environmental review process and the Department has authorized the use of grant funds or approved the Contractor's request for release of funds and related certification. In addition, until the Contractor's request for release of funds and related certification have been approved, neither the Contractor nor any participant in the development process may commit non-TxCDBG funds on or undertake an activity or project if the activity or project would have an adverse environmental impact or limit the choice of reasonable alternatives.

2. If an activity is exempt under 24 CFR 58.34, or is categorically excluded (except in extraordinary circumstances) under 24 CFR 58.35(b), a request for release of funds is not required but the Contractor must document its determination as required in 24 CFR 58.34(b) and 58.35(d). The Contractor shall comply with the requirements and procedures in the current TxCDBG Project Implementation Manual, and shall submit to the Department a Determination of Exemption or Determination of Categorical Exclusion, as applicable, and other required environmental compliance documentation as specified in the Implementation Manual. The Contractor shall also comply with other applicable requirements, as specified in 24 CFR 58.6, regardless of whether the activity is exempt under 24 CFR 58.34 or categorically excluded under 24 CFR 58.35(b).

C. In accordance with 24 CFR 58.77(b), the Contractor shall handle inquiries and complaints from persons and agencies seeking redress in relation to environmental reviews covered by approved certifications.

SECTION 14. CITIZEN PARTICIPATION REQUIREMENTS

B. The Contractor shall hold a public hearing concerning any activities proposed to be added, deleted, or substantially changed, as determined by the Department, from the activities specified in the Application or the Performance Statement.

C. Prior to the programmatic closure of this contract, the Contractor shall hold a public hearing to review its performance under this contract.

D. For each public hearing scheduled and conducted by the Contractor under this Section, the Contractor shall comply with the TxCDBG Project Implementation Manual and the following requirements:

The published notice shall include the date, time, and location of each hearing and the topics to be considered at each hearing. The published notice shall be printed in English and Spanish, if appropriate. The Department shall accept articles published in such newspapers which satisfy the content and timing requirements of this subsection. In addition, the Contractor shall prominently post such notices in public buildings and distributed to interested community groups.

2. If any substantial changes are being requested concerning the activities included in this contract, the public hearings shall be held after 5:00 p.m. on a weekday or on a Saturday or Sunday. The hearings must be conducted at a location convenient to potential or actual beneficiaries, with accommodation for persons with special needs.

3. When a significant number of non-English speaking residents can reasonably be expected to participate in a public hearing, the Contractor shall provide an interpreter to accommodate the needs of the non-English speaking residents.

E. Notwithstanding the provisions of Section 7 of this contract, the Contractor shall retain documentation of the public hearing notices, a list of the attendees at each hearing, and minutes of each hearing held in accordance with this section for a period of three (3) years after the termination of this contract. The Contractor shall make such records available to the public in accordance with Texas Government Code, Chapter 552.

F. Complaint Procedures. The Contractor shall maintain written citizen complaint procedures that provide a timely written response to complaints and grievances. Such procedures shall comply with the Department's requirements. The Contractor shall ensure that its citizens are aware of the location and hours at which they may obtain a copy of the written procedures and the address and phone number for submitting complaints.

SECTION 15. DEBARMENT

A. By signing this contract, the Contractor certifies that it is not debarred, suspended or otherwise excluded from or ineligible for participation in federal assistance programs under Executive Order 12549 and 24 CFR Part 24. Such documentation shall be made available to the Department for review upon request.

c. The Contractor agrees that, except with respect to the rehabilitation of residential property containing less than eight (8) units, all subcontractors engaged under contracts in excess of \$2,000 for construction, renovation or repair work financed in whole or in part with assistance provided under this contract, shall comply with Federal requirements adopted by the Department pertaining to such contracts and with the applicable requirements of the regulations of the U.S. Department of Labor, under 29 CFR Parts 1, 3, and 5 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve the Contractor of its obligation, if any, to require payment of the higher wage. The Contractor shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

3. "Section 3" Clause

a. Compliance

(6) Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

(7) With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract.
