## The Honorable Commissioners Court of Tom Green County

Re: Statement of Sole Source recognition

I, Johnny Grimaldo, CPPB, verify that I am the county official authorized to make purchases for Tom Green County. I have documentation from the vendor stating that the Siro teak and Stainless steel Furniture are solely distributed by Signature Hardware. I have done research and verify the validity to their sole source claim to be justified.

Sincerely,

A handwritten signature in blue ink that reads "Grimaldo". The signature is written in a cursive, flowing style.
