## Section 10 Pricing

### 10.1 Pricing Overview

Explain how your service(s) will provide us with the best value for our investment and describe the pricing options available to us for your overall solution.

### 10.2 Pricing Information

In addition to the completed spreadsheet, provide the following pricing information:

- Contract term (years)
- Minimum commitment requirements
- Any waived charges (for example Installation or NRCs)

### 10.3 Pricing Template

Please include pricing for your proposed network solution in the pricing template provided in Appendix.

Term	Installation Fee	150M DIA	1G PTP	100M PTP	100M PTP	Total Monthly Revenue
1 Year	\$ 123,000.00	\$2250.00	\$ 1,000.00	\$ 450.00	\$ 450.00	\$ 4150.00
