Request for IRION COUNTY to Purchase Used Voting System Equipment from TOM GREEN COUNTY,  
Pending a Purchase Agreement Approved by Both Parties and Meeting the Requirements of Texas  
Election code 123.031:

Irion County would like to request THE OPTION of purchasing from Tom Green County at least two (2) and as many as five (5) Hart Escan precinct counters.

Irion County, if pursuing this option, would like to acquire the newest, lowest vote count Escans that Tom Green County has to sell.

Irion County is offering \$1,800 each for Escans that are between one (1) and five (5) years old, and \$1,500 each for Escans that are older than five (5) years but not more than seven (7) years old.

The offering price includes the Escan ballot box "tub" to accompany each Escan purchased, and the keys to the ballot box tubs.

Irion County is requesting to purchase the Escans "as is".

Irion County will assume responsibility for delivery of the purchased equipment, and for testing, repairs, obtaining any warranties from Hart, and for programming. The purchased Escans will become solely the property and responsibility of Irion County.

If agreed upon, this purchase option is for ninety (90) days. Any agreements beyond that time period are not guaranteed the same price offered or accepted here.
