Road issue to be presented to Commissioners' Court September 6, 2016

Precinct #4: Request to name new private road DE WOLF RD.

Three land owners will use a private easement to access their property. Two homes exist and another will be built. The addresses circled in blue will change. The blue "X" will require a new address. All owners were notified. They all agreed to the road name and are aware of the necessary address changes.

The new road is highlighted in yellow.

The area is not in the ETJ.

Recommend a new private road be named.
