The Tom Green County Constables are requesting permission from the Commissioner's Court to apply for a Justice Assistance Grant (JAG) distributed by the Office of the Governor. As Constables we are peace officers who have duties to uphold and maintain the laws in the State Of Texas. Quite often, we are out in the county and in the city of San Angelo, Texas performing our duties and can be around the corner or right in the middle a crime in progress. With the proper communication equipment, we could potentially be of assistance to local law enforcement if the need arises. Not having the proper communication equipment, we could be potentially place our Constables in danger if a crime is in progress close by and we are unaware of the danger and risk. The Justice Assistance Grant (JAG) does not require matching funds, so there would be no cost incurred by the County to purchase the radio equipment. The Grant is for equipment only, therefore, there is not a need for additional personnel. We respectfully ask the court to approve our request and allow us to apply for this very generous Grant funding opportunity. Thank you for your time.
