Dear Ms. Hudson,

We are in receipt of a copy of the proposed contract between Tom Green County and Hart InterCivic ("Hart"), which you have submitted to the Secretary of State pursuant to Section 123.035 of the Texas Election Code.

The contract indicates the county plans to acquire Hart's Verity 2.0 which includes Verity Controller, Verity Touch, Verity Touch w/Access, and Verity Scan which have firmware version 2.0.3. This letter will serve as confirmation from our office that these systems are currently certified for use in Texas. Enclosed is a copy of the certification order that pertains to this system. We therefore, officially, approve the submitted contract for the purchase of these systems.

Pursuant to state law, this written approval of your voting system contract is required prior to your final execution of the contract, or it will be considered void.

If you need additional information, please contact the Elections Division toll-free at 1-800-252-2216.

Sincerely,
