

Proclamation

The month of March, 2019 has been designated as "National Intellectual and Developmental Disabilities Awareness Month" in order to celebrate and recognize people with disabilities.

Disability in no way diminishes the right of people with disabilities to make choices, contribute to society and experience in full the many blessings of American society.

Family members, friends and the community at large all play a role in supporting people with disabilities as they pursue their dreams.

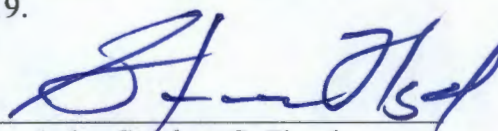

The goals of this county include helping people with disabilities realize full access to housing, employment and the recreation activities which help create productive and satisfying lives, and to live as independently as possible.

Now, therefore, we, the Commissioners Court of Tom Green County, Texas, do hereby proclaim the month of March, 2019 as

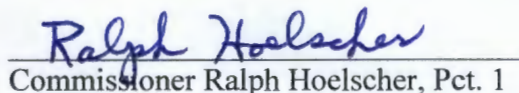

*"INTELLECTUAL AND DEVELOPMENTAL
DISABILITIES AWARENESS MONTH"*

in Tom Green County, Texas, and call upon the citizens of Tom Green County to observe the month with appropriate programs and activities. Furthermore, we encourage all Tom Green County citizens to seek information from those organizations with expertise in matters concerning professionals who support individuals with intellectual and developmental disabilities.

Passed and approved by Tom Green County Commissioners Court in Tom Green County, Texas on this the 12th day of March, 2019.
